About This Game

Epic Battle Fantasy 3 is a silly turn-based JRPG, full of useless NPCs, rabid cats, childish humor, unreasonably large weapons, anime boobs, and other nonsense. It's a hefty adventure with over 10 hours of content and hundreds of items to collect.

If you enjoy Epic Battle Fantasy 3, **the story continues in the sequel and spinoff games:**

 Sarah

I promised him we'd get married when he defeats a *Green Slime*. I'm so excited.
